Jerusalem in one day

Private tour from Tel Aviv, unhurried and thoughtful

The Church of All Nations in Gethsemane, at the foot of the Mount of Olives.

Departure	Return	Language	Format
09:00 from Tel Aviv	17:30 to Tel Aviv	English	Private tour, at your own pace

A day to get to know the heart of Jerusalem without rushing: the Old City and its quarters, the holy places of the three religions and the view from the Mount of Olives. This is the standard program: **times are approximate** and the route adapts to you, your interests and your pace.

The day's itinerary

09:00	**Departure from Tel Aviv** I pick you up at the agreed address. During the drive (about an hour) I tell you about the historical and geographical context of the day.
10:00	**Mount of Olives** The most famous view of Jerusalem: the Old City, the walls and the Temple Mount.
10:30	**Gethsemane and the Church of All Nations** The olive grove and the basilica that commemorates Jesus's prayer before his arrest.
11:30	**Old City and Via Dolorosa** We enter through the Jaffa Gate and walk the Via Dolorosa, among alleys, shops and everyday stories.
12:30	**Church of the Holy Sepulchre** The most important site in Christianity, with Calvary and the tomb. With all the time it takes, without hurry.

13:30	**Lunch and break** A stop at a place in the Old City, chosen together with you from several options.
14:30	**Jewish Quarter and the Cardo** The Roman street, the synagogues and the excavations: two thousand years of history in a few hundred meters.
15:30	**Western Wall** The holiest place of prayer in Judaism. A moment to observe and, if you wish, for a personal thought.
16:15	**Free time and a last look** A few minutes for a coffee, a purchase or a photo, then back to the car.
16:30	**Return to Tel Aviv** Estimated arrival at 17:30, depending on traffic.

Times may change depending on queues, entry restrictions, holidays and your preferences.
