Jerusalem by foot

Private tour of the Old City, from the Jaffa Gate back to the Jaffa Gate

Jerusalem.

Meeting point	End	Language	Format
09:00 Jaffa Gate	15:00 Jaffa Gate	English	Private tour on foot

A walk through the heart of the Old City, without rushing: through the Christian, Muslim, Jewish and Armenian quarters and the holy places of the three religions. We start and finish at the Jaffa Gate. This is the standard program: **times are approximate** and the route adapts to you, your interests and your pace.

The day's itinerary

09:00	**Jaffa Gate** We meet in front of the Jaffa Gate. A first introduction to the city and its walls, before we go in.
09:30	**Christian Quarter and Holy Sepulchre** We walk through alleys and churches to the most important site in Christianity, with Calvary and the tomb. With all the time it takes, without hurry.
10:30	**Via Dolorosa** We walk the Via Dolorosa in reverse, past the Stations of the Cross, the shops and the everyday life of the Muslim Quarter.
11:15	**Al-Wad Street and the Western Wall** We go down the old main axis of the city to the holiest place of prayer in Judaism. A moment to observe and, if you wish, for a personal thought.

12:00	**Jewish Quarter and the Cardo** The Roman street, the synagogues and the excavations: two thousand years of history in a few hundred meters.
12:45	**Lunch and break** A stop at a place in the Old City, chosen together with you from several options.
13:45	**Mount Zion** We leave through the Zion Gate and climb up to the Cenacle and the Dormition Abbey, with a look at the walls from the outside.
14:30	**Armenian Quarter and return** We re-enter the city through the Armenian Quarter, the quietest in the Old City, and head back to the Jaffa Gate.
15:00	**End of the tour at the Jaffa Gate** We say goodbye where we started, with the city a little more familiar.

Times may change depending on queues, entry restrictions, holidays and your preferences.
